You loved it last season, we're back with new musicians and movies by popular demand! Once again, a hand-picked local musician performs a short set followed by a movie *about* music and the power of music to transform hearts, lives, and even history. Lock in a seat for the entire [series](#) of four evenings for \$60 (a \$20 savings) while they last.

Tuesday, September 6, 2022 doors open 6:30pm.

23 Skidoo will perform original music along with Beatles tunes we all know and love before showing *Across the Universe* Julie Taymor's 2007 jukebox musical romantic drama centered on songs by *The Beatles*. Jen Kidd and the band will then host a Q&A after the movie. [Watch the trailer for the movie here!](#)
