Join us at the Visulite on the first Tuesday of every month!

You loved it last season, we're back with new musicians and movies by popular demand! Once again, a hand-picked local musician performs a short set followed by a movie about music and the power of music to transform hearts, lives, and even history. Lock in a seat for the entire series of four evenings for $60 (a $20 savings) while they last.

Tuesday, September 6, 2022 doors open 6:30pm.

23 Skidoo will perform original music along with Beatles tunes we all know and love before showing Across the Universe Julie Taymor's 2007 jukebox musical romantic drama centered on songs by The Beatles. Jen Kidd and the band will then host a Q&A after the movie. Watch the trailer for the movie here!
