

JOIN US THIS WEEKEND

We are joining Staunton Jams this weekend in celebration of local music, art, and community.

While you enjoy a [great lineup](#) of live music and food throughout downtown, you can also visit the Arcadia Project!

We'll be giving tours of the historic theater at 125 E. Beverley Street from 11am-5pm on Saturday, May 6th. Stop by any time!

We'll also have a table set up on the patio next to Refill Renew (110 Baldwin St.) which is right outside the Restless Moons Beer Garden (#5 on the map below).

Visit us to:

- Learn about our capital campaign and plans to renovate and open the historic theater at 125 E. Beverley Street by early 2025.
- Donate and receive a [1930s Marquee Letter](#).
- Sponsor a [Marquee Quote](#).
- Participate in a dot survey to share what music and dance opportunities you'd like to see offered at the Arcadia Project once we open our doors in 2025.

Bring your family, friends, and neighbors to join us for a FREE weekend of music, art, and community.
