

🍷🍷 **Happy New Year!** 🎵

Our very own board member Chance Crawford aka rapper Austin Fox shared his beats which underscore his behind-the-scenes video tour of the theater and all that lies ahead. Click on the video below or watch on our [YouTube](#) channel. Big props to our fall intern Charlotte Bradley from Mary Baldwin University for editing this video!

Watch the music video!

Last April, Chance and his cinematographer spent a day shooting a music video for Chance's upcoming release. They thought the rough and tumble setting was perfect for the moody feeling Chance wanted to create through his music. Watch [here](#).

The word got out...

... that our building has great acoustics. Another band, The Milestones, wanted in on the fun and they spent a weekend shooting five music videos in the theater to accompany their latest EP titled "The Arcadia Project (Live)." You can watch and listen to the results [here](#).
