of our historic theater!**

Feeling the love!

On Saturday July 20, Senator Tim Kaine came to Staunton and toured the theater. Together he and Senator Mark Warner have requested a **congressionally directed spending appropriation** to support the renovation of this historic building. This **request for \$500,000** is currently with the appropriation committee that drafts the legislation. We will learn about next steps later this summer. It's too early to celebrate, but Senator Kaine's staff said **YOUR letters of support** were a big reason our project made it to the final list of requests! Huge thank you to those who wrote one!
