Several months in the planning, Arcadia Project is proud to put on **ARCADIA PRESENTS**, a series of street entertainment programs designed for Shop and Dine Out Downtown.

The new series begins **Saturday, June 14th at 6:00 p.m.** in front of the former Dixie Theater, located at 125 E. Beverley, at the intersection of Beverley Street and North Market St. The series includes local and regional musicians performing acoustically, two dance groups, and a theater workshop for kids! The series continues several Saturdays each month **through October 2025**. Some chairs available, or bring your own!

Volunteers will be on hand for **tours of the building and updates on the project** starting one half hour before each presentation. Want to volunteer?
